

2021 Order Sheet

Send order to: info@natureworksfarm.com or

3741 Route 56 Hwy E Homer City PA 15748

Call with questions: 724-769-3276

Thank you for checking out our 2021 Catalog! You can use this catalog a few different ways:

- 1.) View this catalog to get an idea of what you want to purchase before you come to the nursery to shop in person.
- 2.) Download the catalog, fill it out on your computer, then email it back to us to place your order in advance for pick-up.
- 3.) Print the catalog, fill it out by hand, then mail it to us to place your order in advance for pick-up.
- 4.) View the catalog and list out the items you want to order, then email or mail it to us to order in advance for pick-up.

Please use the tabs at the bottom of the spreadsheet to shop the different categories

A few things to note for orders placed in advance:

- Orders placed in advance will only be held for **one week only** before being restocked in the nursery.
- For example, If you place your order on Saturday, April 10th, you have until Saturday, April 17th to pick it up.
- We do our best to keep everything in stock and the catalog up-to-date as the season progresses, but some items may sell out.
- Not all of our vegetables and flowers are available when we open in April. Warm season vegetables and some 6-pack flowers are not available for pre-order until **May 10th**.
- These seedlings may be ready earlier than May 10th and can be purchased in person at the nursery.
